**Read what you say about us...**

"Another great visit to Sam. I have been to previous salons and have never left with what I had asked for. I'm quite fussy and know what I like with my hair (very ash no yellow) and Sam never fails me! Lovely salon and lovely atmosphere, tea, biscuits and a good natter are a highlight to my visit. Thank you Sam keep up the good work!" - **Gemma**

"Lovely staff and a great service. Always get a cuppa on arrival too. :) Seriously recommend this place!!" - **Anthony**

"Delightful place to go. The staff listen and guide you on the best style to suit. Booking process and text reminder process great for those of us that need a gentle prompt. Would recommend definitely. Good luck with your recent industry nominations." - **Gill**

"As a naturally curly girl I find going to any hairdressers a daunting experience. I have to say I was so pleased with my recent cut and blow dry. So much care was put into the cut being right and it looks great curly or straight. Can't wait to book my next appointment to have some colour put through!! Thanks for a top service would highly recommend" - **Zoe**

"Very rare to find a salon where someone sits down with you and let's you talk about what you're feeling about your current hair and bases recommendations of that. Haircut was really well done and will definitely come back, thank you very much!" - **Connor**
